### AGM

- See Steve's e-mail

### Other items

- City needs to be contacted regarding partial naturalization, as this is one of the key concerns of our community
  - o What is Shawn's part in this project?
- Paving the pathway is another major concern, but would be expensive. However, it would make the path and the community more inclusive and accessible
- Steve will speak to Ben to become a member-at-large
- Michelle will look into matching program and charitable receipts
- Michelle will print garage sale flyer
- Financial update
  - o GST number
    - We have one but it isn't doing anything for us
    - If we're funded by govt 40% or more, we can claim GST and get 50% back
    - Cannot be used as a registered charity number
  - o Tanya is looking into how to get a registered charity number
    - We'd need to file income taxes
    - We'd need to spend a minimum \$ per year
  - o We're considered a non-profit
  - o Not being registered limits us as to what we can apply for

- After AGM, we need to figure out how to split the finances
- Will we have a newsletter; we could consider selling advertisements for local businesses
  - o Can we actually have companies pay us to advertise for them?
