Southland Park Resident's Association

RE: Support for Southland Park Half Basketball Court Project

To whom it may concern:

I am writing to you in support of the grant application being submitted by the Southland Park Resident's Association for their proposed half basketball court project. The Southland Park Resident's Association has served their community in various ways through events like community barbeques, and their community newsletter to help keep the residents informed of their ongoing initiatives.

The Southland Park Resident's Association is a well deserving group who is looking to revitalize their local community park by adding additional amenities such as this half basketball court. Volunteers like those involved with the Southland Park Resident's Association are the bedrock of our communities and their efforts for the betterment of their community should be supported.

Regards,

A handwritten signature in blue ink, appearing to be 'Shawn Nason', written over a horizontal line.

Shawn Nason
Councillor
City of Winnipeg
Transcona Ward
