RE: Support for Southland Park Half Basketball Court Project

This letter is to confirm support in principle from the Parks and Open Space Division of the City of Winnipeg on your plans to add a half basketball court to Lagimodiere Park in the Southland Park neighborhood.

Please note that the following issues need to be addressed:

- Proposed plans be reviewed and approved by Parks and Open Space and PP&D Urban Design Branch
- Must obtain all permits required
- All construction to be in accordance with City of Winnipeg Standard Construction Details
- Confirmation of project schedule
- Confirm with Parks and Open Space Technician, at the start up meeting, site access and document any road or site damages,
- Ensure City's insurance requirements are met by any Contractors hired to do work on site

We look forward to working with you on this project. Your desire to contribute to the park and to provide play space for community members in the neighbourhood is very much appreciated.

Sincerely,

Jessica Mutimer
