Dear Sir/Madame:

I am the Southdale Member of the Legislative Assembly. I am pleased to provide this letter of support for Southland Park Resident's Association for the proposed half basketball court project.

Southland Park Resident's Association is a vital part of our community offering various events and gatherings for the neighbors and families to come together.

I give my support to Southland Park Resident's Association as they plan to revitalize their local community by adding the half basketball court for the neighborhood to enjoy.

Best regards,
